Bucket width	300 mm
Capacity (m ³)	0.0025 m ³
Speed	1.5 KM/H
Engine	Koop 192F
Working radius	2890 mm

Description

The GG800NC combines the compact power of the GG800N with the comfort of a heated cabin, making it a true all-season workhorse. At 1000 kg with a Koop 192F engine (7.2 kW), it handles trenching and landscaping with ease while keeping the operator protected from rain, wind, and cold. Perfect for contractors and municipalities who work year-round and need reliable performance without sacrificing operator comfort in harsh weather conditions.
