Description

The Boxer FHSC is a front-mounted hedge trimmer for professional landscaping and agriculture. It mounts on a loader with a quick coupler and runs on the carrier’s hydraulics, needing 20 l/min at 140–180 bar. Its robust construction gives a long service life even under tough conditions.

The FHSC 160E has a cutting width of 160 cm, comes with Euro quick coupler and weighs 300 kg.
