Description

The Boxer GF XL is a heavy-duty gear-driven rotary tiller for intensive use in agriculture and tillage. It loosens, crumbles and levels hard and heavy soils, and its strong drive gives an even result.

The GF 250 XL has a working width of 250 cm and a working depth of up to 20 cm. It fits a Cat. 2 three-point linkage, suits tractors of 80–130 hp and weighs 980 kg.
