CAT	2
Weight	400 kg

Description

The Boxer Piste Profi is a soil leveller developed for maintaining riding arenas. Its robust box frame carries three levelling bars, adjustable spring tines and a large fillable pressure roller that loosen and level the surface for an even, safe footing for horses.

The Piste 260 has a working width of 260 cm with 29 spring tines. It fits a Cat. 2 three-point linkage and weighs 400 kg.

Supplied with:

- Delivered as a kit – assembly takes about 15 minutes
