Bucket width	380 mm
Capacity (m³)	0.025 m³
Working height	2610 mm
Speed	1.5 KM/H
Engine	Koop 192F
Working radius	2890 mm

Description

The GG1050J upgrades the GG1050 with intuitive joystick controls for smoother, more precise operation. At 1000 kg with a Koop 192F engine (7.2 kW), movable arm, and expandable tracks, it offers a modern operating experience at a competitive price. Perfect for operators who prefer joystick handling over traditional levers, especially those transitioning from larger machines. A smart choice for rental fleets seeking operator-friendly controls that reduce training time.
