Height	2316 mm
Wheelbase	155 cm

Description

The GG09SO is the open-cab version of the GG09S, featuring ROPS protection with a Kubota V1505 Euro 5 engine at 2250 kg. With 900 kg capacity and an impressive 3439 mm maximum lifting height, it offers excellent reach in a lighter package. The open design enhances visibility and airflow. Ideal for farm operators, landscapers, and contractors who value height reach and maneuverability while working in favorable weather conditions.
