Height	2130 mm
Wheelbase	135 cm

Description

The GG940 is a compact telescopic loader with 850 kg capacity, powered by a Kubota Euro 5 engine (18.2 kW). At 1860 kg with 3000 mm lifting height, 190 bar hydraulic pressure, and 12 km/h speed, it offers an extensive attachment range — from pallet forks and augers to concrete mixers and mini excavator attachments. The ultimate multi-tool for small businesses, farms, and workshops needing one machine that does dozens of jobs.
