Description

The **KNEGT 404 GT 40HP Stage V** is a compact yet powerful tractor ideal for small farms, horticulture, and municipal tasks. Its **40 HP, 1999 cc four-cylinder diesel engine** delivers reliable performance with low fuel consumption. The **4WD system**, manual transmission, and **400 cm turning radius** ensure excellent maneuverability. With a **1940 kg operating weight**, the tractor remains stable, while the **665 kg lifting capacity** and Category 1 three-point hitch support a wide range of implements. The **540/1000 PTO** provides flexible power output for various attachments.
