Description

The **KNEGT 504 GT 50HP Stage V** is a compact yet powerful tractor designed for small farms, horticulture, and municipal work. Its **50 HP, 1999 cc four-cylinder diesel engine** delivers strong, reliable performance with low fuel consumption. The **4WD drivetrain**, manual transmission, and **400 cm turning radius** ensure excellent maneuverability in tight spaces. With a **1940 kg operating weight**, the tractor remains stable even under load. The **665 kg lifting capacity** and Category 1 three-point hitch support a wide range of implements, while the **540/1000 PTO** provides flexible power output for various attachments.
