Working radius	2890 mm
Length	2770 mm
Width	930 mm
Height	2100 mm
Capacity (m³)	0.025 m³
Bucket width	380 mm

Description

The GG800N is an ultra-compact mini excavator built for tight spaces where full-size machines can't go. Weighing just 850 kg with a reliable Koop 192F engine (7.2 kW), it delivers solid digging power for trenching, landscaping, and light construction. Ideal for homeowners, small contractors, and landscapers who need a capable machine that's easy to transport on a standard trailer. Its compact footprint makes it perfect for backyard projects, garden work, and utility installations.
