Speed	1.5 KM/H
Digging depth	1650 mm
Working radius	2890 mm
Length	2770 mm
Width	930 mm
Height	2100 mm

Description

The GG800NC combines the compact power of the GG800N with the comfort of a heated cabin, making it a true all-season workhorse. At 1000 kg with a Koop 192F engine (7.2 kW), it handles trenching and landscaping with ease while keeping the operator protected from rain, wind, and cold. Perfect for contractors and municipalities who work year-round and need reliable performance without sacrificing operator comfort in harsh weather conditions.
