Description

The GG1100C is the cabin-equipped version of the GG1100, adding heated weather protection to its Kubota 15 HP engine, movable arm, and expandable tracks. At 1100 kg, it's a complete professional package for year-round operation in any climate. Ideal for contractors, municipal departments, and rental companies who need a premium mini excavator that keeps operators comfortable and productive through rain, snow, and cold without compromising on performance.
