Description

The GG06 is a versatile articulated loader with 600 kg capacity, powered by a Kubota 25 HP diesel engine. At 1470 kg with a 0.3 m³ bucket and Italian PWG hydraulics, it delivers professional performance in a compact package. Compatible with bucket, pallet forks, sweeper, snow plow, mower, and grapple. Built for contractors, farmers, and municipal crews who need a reliable, maneuverable diesel loader for daily construction, agriculture, and maintenance work.
