Max speed forward	28 km/h
Lifting capacity	1600 Kg
Wheelbase	150 cm
Length	5480 mm
Width	1850 mm
Height	2580 mm

Description

The GG016T adds a telescopic arm to the powerful GG016 platform, reaching 4208 mm max height with a Yunnei 61 HP engine. At 4000 kg with 1600 kg capacity, 0.8 m³ bucket, and 28 km/h speed, it combines heavy lifting with extended reach and fast site travel. Perfect for operations that need to load high-sided trucks, stack materials at height, and move quickly between tasks — construction sites, timber yards, and agricultural storage facilities.
