### Description

This snow blade is a suitable accessory for our electric dumper Jansen MSK-800X and is perfect for clearing snow. The blade is attached to the chassis of the dumper, below the dump body. It can be raised and lowered by a lever attached to the dump body. Laterally, the blade can be manually swiveled to the left and right and locked in place. Technical details: Dimensions: 120x80x40 cm (LxWxH) Weight: approx. 49 kg
