Hydraulic pressure	160 bar

Description

Flexible and dependable. Tried and proven construction combined with hydraulics makes it easy to operate. Ideally suited for shovels, mini-loaders and multi purpose trucks. Mulcher can be mounted in front or on the rear with flexible mounting options. Best suited for roadside maintenance and semi-professional use. When required, the ALPHA M hydro can mulch woody plants with a hammer or grass with Y-blades. Spiral mounting of hammers and knives for higher output than traditional mulchers.
