Max tree diameter	3-4 cm

Description

Order now and get a gratis cardan shaft!

Strong and durable. Tried and proven construction makes it easy to operate. The classic all-round mulcher with a newly designed rear door for fast disposal of cuttings to increase production speed. All the benefits of the classic ALPHA M all-around mulcher, with added flexibility of a

powerful swing mower. Added flexibility of an swing mower with autonomous hydraulic system, not overloading tractor hydraulics. Best suited for mowing inter-row vineyard, orchard and fenced meadows. When required, the ALPHA M can mulch woody plants with a hammer or grass with Y-blades. Spiral mounting of hammers and knives for higher output than traditional mulchers.
