Parameters

Name	Value
Weight	240 kg
Lifting capacity	442 Kg
Lifting height	3455 mm
Minimum HP	25 hp
Attachment	Bucket and Manure Fork .

Description

Very versatile and timesaving. Cost and timesaving by combining several functions. The universal means of transport for soil, gravel, manure, hay, building materials and tools. Large adjustability and conversion options make changing to other attachments unnecessary. Indispensable for every hobbyist, horse owner and estate.
