Description

Order now and get a gratis cardan shaft!

Strongest in his category. An essential tool for the demanding professional operator. Full working days made easy with precise and controllable mulching in all directions. Best suited for daily use on undulated larger sized farms, weed fields, ditches, embankments, roadside maintenance and orchards. Spiral mounting of hammers for higher output than traditional mulchers. Strandard with SKF bearings. The mulcher hammers, are crushing the weeds more effiecently than normal mulcher hammers.
