Ground clearance	200 mm
Battery	200 Ah
Front tire	26 × 12.00-12
Rear tire	26 × 12.00-12

Description

The E-Kraft D1600 is a robust electric dumper built for heavy transport on any terrain. With a 1600 kg load capacity, 1.0 m³ bucket and up to 6 hours runtime, it delivers stable, emission-free performance. Its compact design, smooth steering and strong drivetrain make it ideal for construction, landscaping and site work.
