Parameters

Name	Value
Machine Power	80-90 HP
Motor Power	60-67 KW

Description

The Dalia 1000 is a high-capacity mounted sprayer with a 1000-liter tank, built for reliability and efficiency. Available in different boom sizes.

12 m version

Equipped with 24 nozzles, requires 80–90 HP tractor power. Dimensions: 230 × 240 × 520 cm, weight 520 kg. Compact and highly maneuverable, ideal for smaller fields.

14 m version

Comes with 28 nozzles, same power requirement. Dimensions: 280 × 240 × 540 cm, weight 540 kg. Perfect for medium-sized plots, offering greater working width.

15 m version

With 30 nozzles, dimensions 305 × 240 × 550 cm, weight 550 kg. The largest in the series, designed for efficient spraying of large fields.

All versions feature a durable galvanized frame, polyethylene tank, easy-to-use boom system, and high-performance diaphragm pump, making the Dalia 1000 a reliable partner in precise crop protection.
