Weight	795 kg
Lifting capacity	576 Kg
Lifting height	2060 mm
Engine	Kubota D722
Engine	20 HP
Fuel Tank volume	21 L
Oil Tank capacity	42 L

Description

The GS800 is a skid-steer machine with a 20 hp diesel engine. The tyres can easily be changed on site, which makes it possible to operate in narrow indoor spaces or on unpaved outdoor areas. This allows for a machine width of 75 cm to 110 cm. The GIANT skid steer is standard equipped with hand throttle, hip bracket and integrated counterweights, making the machine very comfortable and flexible to operate.

Service weight: 795 kg

Lifting capacity: 576 kg

Tipping Load: 461 kg

Lifting height: 2060 mm

Length without bucket: 1675 mm

Width on standard tires: 1090 mm

Standard tires: 22x11-8 All Ground

Travel Speed: 0-7 km/h

Engine: Kubota D722

Cylinders: 3
