Parameters

Name	Unit
Weight	1036 kg
Lifting capacity	576 Kg
Lifting height	2030 mm
Engine	Kubota D722
Engine	20 HP
Fuel Tank volume	23 L
Oil Tank capacity	41 L

Description

TOBROCO-GIANT's skid steer is also known as the "hop-on-hop-off machine". It has all the features that are important for the user to carry out work as efficiently, safely and productively as possible. The skid on tracks has more traction than the wheeled skid. The machine's centre of gravity has been changed, which distributes the pressure on the ground better and makes the skid steer much more stable.

Service weight: 1036 kg

Lifting capacity: 576 kg

Tipping Load: 829 kg

Lifting height: 2030 mm

Length without bucket: 1370 mm

Width on standard rubber tracks: 900 mm

Standard rubber tracks: Tracks 180

Travel Speed: 0-6 km/h

Engine: Kubota D722

Cylinders: 3

Engine power: 20 hp

Engine power (kW): 15

Fuel tank capacity: 23 L

Oil tank capacity: 41 L

Final drive: 2 heavy Parker wheel engines

Working hydraulics: 42 L/min (150 bar)
