Description

The Boxer HIGH klepelmaaier is a professional-grade mower designed for heavy-duty use, featuring hammer flails for efficient cutting. It comes equipped with a hydraulically tiltable grass collector for easy removal of grass clippings and other materials. The front section includes two large adjustable guide wheels for optimal maneuverability. The mower is delivered as a complete set, including the PTO shaft, and every Boxer Agri product comes with a standard 12-month manufacturer’s warranty. De Heus ensures quick delivery and short response times for maintenance and parts. The Boxer range offers excellent value for money, making Boxer Agri products an attractive choice in the market.
