Description

The Greentec Jaguar 40/80 is a powerful forestry / landscaping chipper designed even for highway use, with a tow rating of up to 3.5 tonnes. Equipped with a Hyundai Stage 5 140 HP engine, it efficiently processes logs up to 40 cm in diameter. Its robust tandem chassis (parabolic suspension), air brakes, and integrated hydraulic systems ensure stability and performance even on roads.

Key Features:

140 HP engine, capable of chipping 40 cm logs
Hydraulic infeed, telescopic chute, rotatable discharge
Remote control (GCS1.1) for chipper functions: on/off, feed, chute control
Heavy-duty drum: double fan blades, Widia bottom knife, 20 mm shell thickness
Easy access: quick-change knives, adjustable anvil knife
Durable build: Hardox wear plates, premium steel, double powder coating
Infeed opening: 400 x 600 mm, feed channel: 420 x 600 mm
Road-legal up to 80 km/h

Standard equipment includes hydraulic support legs, remote chipper control, feed rollers, chute controls. Optional extras: crane attachments, hydraulic slewing ring, radio control, winch systems.
