Fixed rear light beam with side lights

License cost for homologation

Wheel 10.0/75-15. 14PR IMP 136A6 N6 ET0

Red/black painting

Forestry loader crane 4.2 m (KTS 4200)

Timber grapple $0.12\ m^2$, made of STRENX 650 high-strength steel

Standard multi-lever control valve (manual lever control)

Rotator type CR100, 1-ton capacity

The KTS4000 is the smallest and most maneuverable forestry trailer in the KTS range, offering a 4.0-ton load capacity. It comes standard with a 4.2-meter hydraulic crane, with the option to choose a longer 4.7-meter crane at no additional cost. It is perfect for those who need a flexible and durable trailer suitable for smaller tractors and forestry tasks. Like all KTS forestry trailers, the KTS4000 is approved for use on public roads.
