Description

Order now and get a gratis cardan shaft!

Compact but powerful. Designed for use with small and light tractors. Classic wood chipper ideal for reducing all your trimmings into usable mulch. Proven technology adapted to the limited power and weight of compact tractors. Very suitable for seasonal use by fruit growers and landscapers. LIGHTWEIGHT - perfect balance between Lignum and tractor weight and power. PROVEN - reliable and robust cutting mechanism. COMPACT - collapsible funnel for easy transport and storage. 360 CHUTE - easy adjustment of ejection of processed pruning waste. ECONOMICAL - no frill practical woodchipping.
