Description

The scarifier ARIEL offers optimal support for the maintenance of fields, gardens and parks; its main functionality is to scarify the soil, cleaning it from moss.. Introducing our Scarifier for two-wheel tractors. Coupled frontally to mowers and motocultivators, it's light, maneuverable, and adaptable. The hardened steel blades swing effortlessly and are easily replaceable. Set the working height easily with skids or wheel adjustments. Safety features include a free-wheel and CE-standard protections. The sandblasted and powder-coated finish ensures durability. Enjoy peace of mind with a 2-year warranty. Upgrade your agricultural toolkit with our reliable and efficient Scarifier.
