ploughshares N°	4 .

Description

Introducing our innovative soil preparation tool: a versatile solution for medium-solidity soil. It combines ploughing and milling, readying the soil for seeding. Efficient on grassy areas too, ensuring successful grass planting. Coupling is a breeze with any mower or motocultivator. Lightweight, maneuverable, and equipped with galvanized tube safety protection. Its abrasion-resistant plates are easily replaceable. With sandblasting and oven powder coating, it's built to last. Plus, enjoy a 2-year warranty for peace of mind. Revolutionize your soil prep today!
