Description

Introducing the Mini Blade for Two Wheel Tractors: a versatile and maneuverable landscaping tool. With a tilt adjustment lever, it easily couples to mowers and motocultivators. The lightweight design and stability feet allow for easy maneuvering and precise working height. The replaceable scraping blade ensures longevity, while sandblasting and powder coating provide durability. Backed by a 2-year warranty, the Mini Blade is the ultimate companion for efficient outdoor tasks. Upgrade your performance today! These machines are designed for small handling and levelling jobs. These are optimal tools also with snow, for cleaning squares and streets. MINIPAL are equipped with side panels and a replaceable scraping blade (in steel, plastic material or rubber).
