Description

Introducing the TR-90 Mulcher: a versatile landscaping tool that can be coupled with any mower or motocultivator. It's lightweight, making it easy to maneuver, and comes in a sturdy P version with a greasing system. You can equip it with various cutting tools for different tasks, and the working height is adjustable. Safety is ensured with free-wheel and CE standard protections. The mulcher is sandblasted and oven powder coated for durability. Plus, it comes with a 2-year warranty, giving you peace of mind. Upgrade your landscaping game with the Multi-Purpose Mulcher today. Universal mulchers for the maintenance of fields, gardens and parks and for the cleaning of uncultivated areas with residuals of cultivations, sarments, shrubs etc.
