Description

The **YTO NMF554** is a modern, 55-horsepower (40.4 kW) universal tractor, making it an excellent choice for small to medium-sized farms. At its heart is a 4-cylinder **DOSON diesel engine** that meets **Stage V emission standards**, delivering low fuel consumption and reliable performance.

The tractor has an **unladen weight of 2,770 kg** and a **maximum speed of 30 km/h**. Its **rear three-point hitch** can handle loads up to **1,300 kg**. Thanks to its compact size, the YTO NMF554 offers excellent maneuverability, even in tight spaces.
