Description

The GRANIT PFN 2SN-2SC DN 20 - 3/4" is a premium quality hydraulic hose designed for industrial applications, delivering excellent performance even in the most demanding environments. This pack contains 10 hoses, making it an ideal choice for larger projects or industrial systems requiring multiple hoses.

DN 20: The hose has an inner diameter of 20 mm, allowing for the efficient transport of larger volumes of fluid.

3/4" connection: Equipped with a 3/4" connector, following industrial standards for easy and secure fitting.

2SN-2SC: The hose features a two-layer steel-wire braided construction, providing exceptional protection against mechanical damage while maintaining maximum flexibility and ease of handling.

High temperature and pressure resistance: The GRANIT PFN 2SN-2SC hydraulic hose is highly resistant to both high temperatures and pressures, making it perfect for heavy-duty industrial
