Description

This snow plow is an accessory for our track dumper Jansen RD-200, RD-300, RD-300S, RD-500. The plow can be attached to the skip of the dumper in a few easy steps, and is ready for action immediately. The plow can be lifted and dipped by using the control of the skip. Moreover the plow can be shifted sideways manually.

Technical data:

Dimensions: 980x500 mm (LxB)

Weight: 40 kg
