Description

TBF-MARINE forestry mulcher with fixed hammers

New range of forestry mulcher. The TBF-MARINE range has been designed and manufactured using proprietary technology, the result of innovation and years of experience. Designed to work with medium power tractors. The shaft crusher allows work up to 30 cm in diameter. Its weight, robustness and the design of its fixed hammer rotor axle make it the ideal partner for all types of forestry work.

- - Group 90-120 HP.
- -SSAB Strenx steel chassis
- -Fixed tungsten hammers on the rotor shaft can be replaced by straight hammers.
- -Bottom skid plates on Hardox-400.
- -Power transmission with SPC belts.
- -Hydraulically opening doors
- -Tapered design sliding frame for penetrating canopy spaces.
- -Differential gear group with integrated freewheel.
- -counter knives
- -Double safety chains.
- -Pulling capacity 15 - 30 cm.
