Description

This product is the variant YT235V-Q-G-W+: cabin, garden tyres, winter+ package with front PTO kit.

Winter+ package: additional front PTO kit, 2000 rpm, spline 1" Z15, extended from the mid PTO.
The machine has hydrostatic transmission.The YT2-series is a reflection of Yanmar’s design promises: optimum driver comfort, ease of maintenance and operational versatility. The YT235-Q compact tractor with hydrostatic transmission is designed to deliver optimum performance across a wide range of applications including landscaping, light construction and city maintenance.
