Drivegear	tractor PTO
Max tree diameter	13 cm

Description

TRITONE SUPER MONSTER P.T.O. is a professional cardan driven biochipper, equipped with a roller for the automatic driving of the branch, managed by an hydraulic pump. It is an entirely Italian product and is equipped with a large loading hopper to facilitate the insertion of branched vegetable waste. The hopper is foldable in order to limit the encumbrance in road transport or when it is put to rest. The woodchips discharge outlet can be rotated 360° and has a height of about two metres. It has a very large cutting mass of 690 mm in diameter with four main blades and 24 chopping hammers inside, the transmission between multiplier and cutting mass is by means of two belts. It is also equipped with two counter blades to obtain an excellent cut. It is equipped with two large pneumatic wheels. The Tritone Super Monster P.T.O. complies with CE regulations on safety at work.
