Name	Unit
Sparepart Weight	440 gr

Description

GRANIT multipurpose grease 3 is a high-quality lithium soap-based lubricating grease with light natural colour, smooth consistency and short-fibre structure conforming to NLGI class 3.

Areas of application:

GRANIT multipurpose grease 3 is suitable for roller and plain bearings in industrial plants, machine tools, cars, agricultural equipment and other areas where a lubricating grease with a good sealing effect is required.

Works well even under dusty and slightly humid operating conditions.

Thanks to its solid consistency, GRANIT multipurpose grease 3 forms an adhesive grease collar with a good sealing effect.

Labelling: according to DIN 51502, type K3K-25

Soap base:

Li 12-hydroxystearate

Dripping point: approx. 190°C

Temperature range: -25°C to +120°C (short-term up to +140°C)
